

1. Page pendaftaran harusnya tampil form pendaftaran dulu, setelah user klik daftar baru muncul thankyou page, di bagian urutan / ini

The screenshot shows a web browser window with the title bar "Puspa" and the address bar "localhost:3000". The main content is a registration form titled "Form Pendaftaran". The form includes fields for "Nama Lengkap \*", "Tempat Lahir \*", "Tanggal Lahir \*", "Usia", "Jenis Kelamin \*", "Asal Sekolah / Kelas", and "Alamat \*". Below the form, there is a note: "Kami senang dapat mendukung setiap langkah tumbuh kembang anak Anda. Mohon isi data lengkap di bawah ini agar permohonan Anda segera kami proses." The browser's taskbar at the bottom shows other open tabs and system icons.

The screenshot shows a web browser window with the title bar "Puspa" and the address bar "project-puspa-4euz.vercel.app/pendaftaran". The main content is a thank you message: "Terimakasih telah mengisi Form!". Below it is a note: "Kami senang dapat mendukung setiap langkah tumbuh kembang anak Anda. Admin akan menghubungi via WhatsApp untuk informasi selanjutnya." The browser's taskbar at the bottom shows other open tabs and system icons.

2. header di stakeholder orang tua sizenya kurang sesuai, tampilan card data anak tanpa (-)

The screenshot shows a web application interface for managing children's data. The left sidebar has navigation links: Dashboard, Anak (selected), Assessment, and Help. The main content area is titled 'Data Anak' and lists two entries:

- hilma - Laki-Laki Aktif
- Malaikhanaya - Perempuan Aktif

A dashed box labeled '+ Tambah Anak' is present. The browser's address bar shows 'project-puspa-4eu.vercel.app/orangtua/anak'. The system tray indicates it's 17:31 on 08/01/2026.

Yang benar:

This screenshot shows the same application interface as the previous one, but the header 'orangtua/anak' is fully visible without truncation. The rest of the page content, including the child records and the '+ Tambah Anak' button, remains identical.

3. ukuran header di orang tua terlalu lebar kebawah harusnya agak naik ke atas

The screenshot shows a web browser window with three tabs open: WhatsApp, Puspa, and Navigasi Kategori Assessment. The main content area displays the 'Assessment' page for the 'Puspa' platform. On the left, there is a sidebar with navigation links: Dashboard, Anak, Assessment (which is currently selected), and Help. Below the sidebar is a user profile for 'Annisanq' with the email 'annisanurqoriah12@gmail.com'. The main content area has a title 'Assessment' and a sub-section titled 'Pilih Assessment Anak'. It lists two children: 'hilma' (6 Tahun 10 Bulan • laki-laki, Jadwal: 2026-01-12) and 'Malaikhanaya' (14 Tahun 7 Bulan • perempuan, Jadwal: 2025-12-30). The bottom of the screen shows a Windows taskbar with various pinned icons.

Yang benar:

This screenshot shows the same 'Assessment' page from the previous image, but with a visual modification: the header section ('Assessment' and 'Pilih Assessment Anak') has been moved closer to the top of the content area, making the overall layout appear more balanced. The rest of the interface, including the sidebar, child profiles, and taskbar, remains identical to the first screenshot.

4. ukuran header terlalu lebar untuk orang tau di menu profil jgn lebar turun tapi dinaikin sama kan dengan yg lain

The screenshot shows the 'Profil' (Profile) page of the Puspa application. The header is orange with the title 'Profil'. On the left, there's a sidebar with a dark background containing navigation links: 'Dashboard', 'Anak', 'Assessment', 'Help', and a user profile section for 'Annisanq' (annisanurqoriah12@gmail.com). Below the sidebar, there are buttons for 'Profil' (highlighted in green), 'Ubah Password', and 'Logout'. The main content area displays a user profile card for 'Annisanq', which includes a placeholder image, the name 'Annisanq', and the role 'Orangtua Pasien/Anak'. To the right of the card is a table with user information:

Nama	Annisanq
Hubungan	Ibu
Tanggal Lahir	29-07-2007
Telepon	085947338890
Email	annisanurqoriah12@gmail.com
User Role	Orangtua Pasien/Anak
Pekerjaan	dokter

There is an 'Edit' button in the top right corner of the profile card.

The screenshot shows the 'Ubah Password' (Change Password) page of the Puspa application. The header is orange with the title 'Ubah Password'. On the left, there's a sidebar with a dark background containing navigation links: 'Dashboard', 'Anak', 'Assessment', 'Help', and a user profile section for 'Annisanq' (annisanurqoriah12@gmail.com). Below the sidebar, there are buttons for 'Profil', 'Ubah Password' (highlighted in green), and 'Logout'. The main content area displays a form titled 'Ubah Password' with three input fields: 'Password Saat Ini', 'Password Baru', and 'Konfirmasi Password'. There are also 'Kembali' and 'Simpan' buttons at the bottom of the form.

5. tampilan header orang tua di formulir harusnya ada headernya formulir assessment orang tua dan warna dropdown kurang sesuai di menu orang tau pada assementnya terus masuk ke assessment dari masing masing anak

The screenshot shows a web browser window with three tabs: WhatsApp, Puspa, and Navigasi Kategori Assessment. The Puspa tab is active, displaying the 'Formulir Assessment Orangtua' page. On the left, there is a sidebar with a logo and navigation links: Dashboard, Anak, Assessment, Help, and a user profile for 'Annisanq annisanurqoriah12@gmail.com'. Below these are options for Profil, Ubah Password, and Logout. The main content area shows a table with categories and status dropdowns. The 'Status' column for the first category has a dark blue background, which is inconsistent with the standard light green background used throughout the rest of the application.

Yang benar:

This screenshot shows the same web browser setup as the previous one, but the 'Status' column in the table now has a light green background, matching the rest of the application's design. This indicates that the issue described in the question has been resolved or corrected.

6. tampilan warna dropdown kurang sesuai, harusnya disamakan semua,dropdown biru tua semua sesuai colour palette puspa

The screenshot shows a web application window titled "Puspa" with a sidebar on the left and a main form area on the right. The sidebar includes links for Dashboard, Anak, Assessment, Help, and a user profile for "Annisanq". The main form has sections for "No. Telepon", "NIK", "Pekerjaan", and "Hubungan dengan Anak". A dropdown menu titled "Kategori Pertanyaan" is open, listing several options: "Riwayat Psikososial", "Riwayat Psikososial" (repeated), "Riwayat Kehamilan" (which is highlighted in blue), "Riwayat Kelahiran", "Riwayat Setelah Kelahiran", "Riwayat Kesehatan", and "Riwayat Pendidikan". Below the dropdown, there are fields for "Ananda anak ke berapa?", "Saudara (Nama dan Usia)", and "Orang-orang yang tinggal serumah dengan anak?". The desktop taskbar at the bottom shows various application icons.

7. tampilan stepper indicator kurang sesuai,

The screenshot shows a web browser window with a navigation bar at the top. The tabs are labeled: (15) WhatsApp, Puspa, Navigasi Kategori Assessment, and project-puspa-4euz.vercel.app/orangtua/assessment/kategori/fisioterapiRiwayat?assessment\_id=2. Below the tabs is a sidebar with the Puspa logo and a list of menu items: Dashboard, Anak, Assessment, Help, and a user profile section for Annisanq (annisanurqoriah12@gmail.com) with options to Profil, Ubah Password, and Logout. The main content area is titled "Riwayat Data Fisioterapi". A horizontal navigation bar below the title has five tabs: 1 Data Umum, 2 Data Fisioterapi (highlighted in green), 3 Data Terapi Okupasi, 4 Data Terapi Wicara, and 5 Data Paedagog. Under the "Data Fisioterapi" tab, there are two text input fields: "Keluhan Utama" containing "ghjk" and "Riwayat Penyakit" containing "hjk". The bottom of the screen shows a Windows taskbar with various pinned icons and the date/time 08/01/2026.

Yang benar:

This screenshot is identical to the one above, showing the same web application interface. The navigation bar, sidebar, and main content area with the "Riwayat Data Fisioterapi" page are all present. The "Data Fisioterapi" tab is selected, and the input fields for "Keluhan Utama" and "Riwayat Penyakit" contain the same values: "ghjk" and "hjk" respectively. The Windows taskbar at the bottom is also visible.

Salah:

The screenshot shows a web browser window with three tabs: WhatsApp, Puspa, and Navigasi Kategori Assessment. The main content area is titled 'Riwayat Data Terapi Okupasi'. On the left, there's a sidebar with a logo for 'Puspa Holistic Integrative Care' and navigation links: Dashboard, Anak, Assessment, Help, and a user profile for 'Annisanq annisanurqoriah12@gmail.com' with options to edit Profil, change Password, and Logout. The main content area has a horizontal navigation bar with five items: Data Umum (1), Data Fisioterapi (2), Data Terapi Okupasi (3, highlighted in green), Data Terapi Wicara (4), and Data Paedagog (5). Below this is a section titled '1. General — Apakah anak anda ...' containing two questions with checkboxes: '1. Terlihat terlalu sensitif terhadap suara?' (checked) and '2. Tidak dapat mengikuti instruksi sederhana?' (unchecked).

Yang benar!

This screenshot is from the same application as the first one, but the user has completed the 'General' section. The questions listed are: 1. Terlihat terlalu sensitif terhadap suara? (checked), 2. Tidak dapat mengikuti instruksi sederhana? (unchecked), 3. Bingung oleh kata-kata berbunyi sama? (checked), 4. Hanya menggunakan bahasa tubuh untuk memperjelas ucapan? (unchecked), 5. Suka menyanyi? (unchecked), 6. Mengalami kesulitan dengan bunyi perkataan? (checked), and 7. Kelihatan menimak tetapi tidak menaerti? (checked). The rest of the interface remains the same, including the sidebar and the navigation bar at the bottom.

**Salah:**

The screenshot shows a web browser window with three tabs: WhatsApp (15), Puspa, and Navigasi Kategori Assessment. The main content area displays a form titled 'Riwayat Data Terapi Wicara' under the heading 'bicara'. The form includes five numbered input fields for different types of therapy data. The fourth field, 'Data Terapi Wicara', is highlighted with a green circle and contains the text 'ghj'. Below it, the fifth field, 'Data Paedagog', contains the text 'ftgyu'. On the left sidebar, there is a navigation menu with links for Dashboard, Anak, Assessment, Help, and a user profile for 'Annisanq'.

**Yang benar:**

The screenshot shows a web application interface for 'Riwayat Data Terapi Wicara'. On the left, there's a sidebar with a logo for 'Puspa Holistic Integrative Care' and navigation links for Dashboard, Anak, Assessment, and Help. The main content area has tabs for Data Umum, Data Fisioterapi, Data Terapi Okupasi, Data Terapi Wicara (which is selected), and Data Paedagog. Below the tabs, three questions are listed:

1. Ceritakan masalah bahasa bicara anak.  
Answer: ghj
2. Bagaimana biasanya anak berkomunikasi (gerak tubuh, kata, frasa, kalimat)?  
Answer: ftgyu
3. Kapan masalah bahasa dan bicara pertama kali diketahui? Oleh siapa?  
Answer: ghj

The bottom status bar shows system icons and the date/time: 08/01/2026 17:38.

**Salah:**

The screenshot shows a web application interface for 'Riwayat Data Paedagog'. The sidebar and tabs are similar to the previous screenshot. The 'Data Paedagog' tab is selected. Below it, seven sub-aspects are listed:

- 1 Aspek Akademis
- 2 Aspek Ketunaan - Visual
- 3 Aspek Ketunaan - Auditori
- 4 Aspek Ketunaan - Motorik
- 5 Aspek Ketunaan - Kognitif
- 6 Aspek Ketunaan - Perilaku
- 7 Aspek Sosialisasi

The bottom status bar shows system icons and the date/time: 08/01/2026 17:39.

**Yang benar:**

The screenshot shows a web-based application for managing child assessments. The main interface is a dashboard with a sidebar for navigation. A dropdown menu for 'Aspek Akademis' is open, listing various academic aspects. The system is running on a Windows operating system, as indicated by the taskbar at the bottom.

7. Di Page terapis/ observasi seharusnya menampilkan daftar jadwal anak yang perlu di observasi (bukan riwayat), kemudian di tampilan riwayat observasi diberi button sebelumnya dan selanjutnya untuk navigasi per steppeir

**Salah:**

The screenshot shows a web-based application for managing child observations. The main interface displays a list of observations for a specific child. The left sidebar includes a 'PENDATAAN' section with 'Observasi' selected. The main area shows a table of observations with questions and response buttons (radio buttons for 'Ya' or 'Tidak'). The system interface includes a Windows taskbar at the bottom with various icons and a date/time stamp of 08/01/2026.

**Benar:**

**Puspa**  
Holistic Integrative Care

17:39 08/01/2026

## Yang benar:

The screenshot shows the Puspa web application interface. The left sidebar has a 'Pendataan' section with 'Observasi' selected. The main content area is titled 'Pilih Anak Untuk Observasi' and displays a message: 'Tidak ada data observasi terjadwal'. The top right shows a greeting 'Hallo, Alief Arifun' and a 'Riwayat' button. The bottom status bar shows the date '08/01/2026' and time '17:40'.

## 8. warna dropdown kurang sesuai dengan color palette puspa (biru tua)

The screenshot shows the Puspa web application interface. The left sidebar has an 'Assessment' section with 'Assessor' selected. The main content area is titled 'Assessment' and lists various medical tests. A specific item, 'Test Fungsi Bermain', is highlighted with a blue background. The bottom status bar shows the date '08/01/2026' and time '17:41'.

The screenshot shows the 'Assessment' module of the Puspa software. On the left, there's a sidebar with navigation links: Dashboard, PENDATAAN (Observasi, Assessment), KELOLA AKUN (Pengaturan, Log Out), and a user profile icon. The main content area has a title 'Assessment' and a sub-section 'Riwayat Jawaban Pemeriksaan'. Below it, tabs for 'Pemeriksaan Umum', 'Anamnesis Sistem', and 'Pemeriksaan Khusus' are visible, with 'Pemeriksaan Khusus' being the active tab. A dropdown menu under 'Pemeriksaan Sensoris' lists various medical examination items. The bottom status bar shows the date 08/01/2026 and time 17:42.

9. tampilan data pasien/anak dalam bentuk tabel biasa (bukan card)

The screenshot shows the 'Data Pasien' page. The sidebar includes 'Dashboard', 'MANAJEMEN DATA (Admin, Terapis, Pasien / Anak, Jadwal)', 'KELOLA AKUN (Pengaturan, Log Out)', and a user profile icon. The main area has a title 'Pasien / Anak' and a sub-section 'Data Pasien'. It displays a table with columns for name, gender, school, and address. Each row contains a 'Ubah' button. The table rows are: 1. Alifa Sifa (Perempuan, TK Bintang Mulia, Alamat: -); 2. hilma (Laki-Laki, SD Surakarta, Alamat: -); 3. Malaihanaya (Perempuan, SD Tunas Bangsa, Alamat: -); 4. Mika Malaiik (Laki-Laki, SD Alam, Alamat: -); 5. dowi (Laki-Laki, kelas 8, Alamat: -); 6. dowi (Laki-Laki, kelas 1, Alamat: -); 7. yy (Laki-Laki, -); 8. paijo (Laki-Laki, -); 9. dono (Laki-Laki, -). The bottom status bar shows the date 08/01/2026 and time 17:46.

## Yang benar:

The screenshot shows a web application interface for managing patient data. The left sidebar contains navigation links for Dashboard, Admin, Terapis, Pasien / Anak (highlighted in green), Jadwal, Pengaturan, and Log Out. The main content area is titled 'Pasien / Anak' and displays a table of 10 patient records. The table columns are: No, Nama Anak, Tanggal Lahir, Usia, Jenis Kelamin, Asal Sekolah, and Aksi (Actions). Each row includes a set of edit and delete icons. The bottom of the screen shows a Windows taskbar with various pinned icons and the date/time as 08/01/2026 at 17:46.

No	Nama Anak	Tanggal Lahir	Usia	Jenis Kelamin	Asal Sekolah	Aksi
1	Alifa Sifa	24 Juni 2021	4 Tahun 6 Bulan	perempuan	TK Bintang Mulia
